Figure 10-13: Example of a network topology. The diagram shows a central router (R1) connected to three other routers (R2, R3, and R4). R1 is connected to R2, R3, and R4. R2 is connected to R3. R3 is connected to R4. The diagram also shows a network of hosts (H1, H2, H3, H4) connected to the routers. H1 and H2 are connected to R1. H3 and H4 are connected to R2. The diagram is labeled "Figure 10-13: Example of a network topology." and includes a caption "Figure 10-13: Example of a network topology." and a reference "Figure 10-13: Example of a network topology.".
