Diagram illustrating the placement of tactile information signs and tactile paving around a door.

Key components and dimensions shown:

- Door:** Central door with a yellow tactile paving strip (0.6 m wide) leading to it.
- Left Side:**
  - Tactil piktogramma 200x200 (Yellow square with a black arrow pointing down).
  - Tactil piktogramma 200x200 (Yellow square with a black arrow pointing up).
  - Tactil ma'lumotlar taxtasi (Birayfl alifbosa-da) (Yellow rectangular sign with a black arrow pointing up).
  - Tactil axborot berish vositalarini joylashirish zonasi (Yellow rectangular area).
  - Dimensions: 1.6 m (total height), 1.2 m (height of the sign area), 0.8 m (width of the sign area).
- Right Side:**
  - eshik atrofida kontrast belgi 100mm (Yellow square with a black arrow pointing up).
  - D 20mm (Yellow square with a black arrow pointing up).
  - yorug'lik tarqatuvchi maydon (eshik atrofiga 2-ta) (Yellow rectangular area).
  - yorug'lik tarqatuvchi maydonlar (eshik atrofiga 2-ta) (Yellow rectangular area).
  - yorug'lik tarqatuvchi maydonlar joylashirish zonasi (Yellow rectangular area).
  - Dimensions: 1.3 m (height of the sign area), 0.6 m (width of the sign area), 1.5 m (height of the sign area), 2.1 m (height of the sign area).
- Bottom:**
  - oqshantiruvchi tactil qoplama (Yellow rectangular area).
  - tactil axborot stenci (bino tashqarisida joylashirish uchun) (Yellow rectangular area).
